

Who did David talk to about his problems?

Who did Jonah cry out to for help?

From our lesson of the doctrine of Hamartiology, we learned that, Every one in the human race possesses an old sin nature as a result of Adam's original sin in the garden. We are all born in the slave market of sin. The entire human race are slaves to the sin nature.

Christ died on the cross so that your sins could be forgiven. God's grace is available to you. You do not have to carry your guilt around.

In Romans 6:12-23 why does it say sin no longer has control of the way believers live?

Verse 18 says, "Now you are free from sin...and you have become slaves to your new master, righteousness." What do you think that means?

The writer of psalm 119:9-6 says that he has hidden the Word of God in his heart as protection against sinning. What are some ways you may think of that can help us against sin?

In Col. 3:1-17, can you write down 3 earthly things lurking with in you?

What does it mean to "put to death the sinful, earthly things lurking with in you?"

Remember, There is no bad decision that the believer can commit that can cause them to lose his salvation...our eternal relationship. Yet, a bad decision to commit a personal sin can cause us to lose our temporal fellowship or relationship with God in time. Fellowship with God in time is important since it provides the means to live the Christian way of life and grow spiritually.
