

# Find the Books of the New Testament

The New Testament is made up of 27 books. The first four books, the Gospels, tell how Jesus came to earth, how He lived and how He died for our sins. The book of Acts tells how Jesus' followers told others about Jesus. The rest of the New Testament tells how people who believe in Jesus and love Him can live to please God.

The books of the New Testament are hidden in the puzzle. Can you find and circle all of them?
