

GRACE

God has given you a free gift, grace!

Grace is all that God is free to do for you because of what Jesus Christ did on the cross.

Grace is God's unearned and undeserved love for you!

Let's think of the things God has given you in grace...remember, He gives you these only because He loves you: the air you breath, the clothes you wear, food you eat, your Mom and Dad, let's make it simple... everything you have is

GRACE!!!
